About Donald Whitworth

I joined Primerica in 1983 after hearing about a business opportunity from a friend. At that time in my life, I was working as a Automotive Executive and was searching for a new opportunity.

Primerica allowed me to be my own boss, work as many or as little hours as I chose and enjoy an unlimited income potential* — all while helping families become debt free and financially independent.

For me, the Primerica Opportunity was a dream come true. Today, my organization continues to grow and I'm on my way to fulfilling my goals and dreams. Primerica has changed my life!

Please contact me for more information on the Primerica Opportunity and how you can receive a free, personalized [Primerica Financial Needs Analysis](#).
